1. Which of the following groups did Ahmad **not** discuss in his introduction?
  - the Irish Republican Army
  - the Jewish Underground
  - the Mujahideen
  - the Palestinian Liberation Organization
  
2. According to Ahmad, why do officials not define terrorism?
  - definitions are far too vague in the public sphere
  - definitions constrain actions
  - definitions involve a commitment to analysis
  - definitions offer an ideographic exposition of the tenor of the current debate on terrorism
  
3. With which of these statements would Ahmad most likely **disagree**?
  - the official approach to terrorism claims a level of omniscience
  - the official approach to terrorism eschews causation
  - the official approach to terrorism is global in reach
  - the official approach to terrorism seeks to eliminate the causes of terrorism
  
4. Which of the following is **not** one of Ahmad's recommendations to America?
  - avoid extremes and double standards
  - avoid military solutions
  - condone the terror of your allies in their fight against terror
  - focus on the causes of terrorism
  
5. Which of the following statements is **incorrect**?
  - a late assignment receives a zero for its grade in this course
  - plagiarism will be heavily punished in this course
  - the appropriate font for this course is Times New Roman
  - students must bring chocolate for the professor to pass this course
