

Terrorism: A Study in Scarlet

Provisional Reading List (Update: January 9)¹

Ole J. Forsberg, Ph.D.

Creighton University

Below is a provisional listing of all of the readings for this course and where you can locate them. The entry “website link” indicates that there is a direct link from the course calendar to the reading. The entry “eReserves” indicates that the reading can be found at Reinert’s electronic reserve area. A blank entry indicates that you need to locate the reading yourself. Finding the reading yourself gives you practice in locating hard-to-find articles (although most can be found on JSTOR or Reinert’s eJournal collection or the journal’s website).

¹ This update takes into consideration those articles/chapters which the library could not, for copyright reasons, put on eReserves. As such, the Susser book is now on Library Reserve (2 Hours In-Library), as is Istanbul Conference on Democracy & Global Security (2 Hours In-Library). I have removed three of the Susser book readings from the syllabus as a result of the first issue. Nothing else has changed.
