Introduction to World Politics  
Oklahoma State University  
Name:

Again, as always, there *may* be overlap between the Identify and the Label sections. Remember, spelling now counts.

### Identify these States

A: \_\_\_\_\_

B: \_\_\_\_\_

C: \_\_\_\_\_

D: \_\_\_\_\_

### Label these States

BAH            Bahrain

JOR            Jordan

SAH            Western Sahara

YEM            Yemen

### Identify and Label

Write the name of the state described in the space provided, then label the first state on the map as **XXX**; the second as **YYY**.

**XXX:** With 26 votes in favor of the deal, a swap between Hamas and **this State** has been agreed upon. The Agreement involves the trade of one soldier for 1000 Palestine prisoners.

This State is \_\_\_\_\_

**YYY:** There is a massive reservoir of oil in the eastern part of the Mediterranean, and **this State** just happens to be perched atop it. Unfortunately, this State is divided between the Greek south and the Turkish north. Because of the historic animosity between Greece and Turkey, and because of the economic opportunity the oil presents both, Turkey is seeking a greater voice in how the Greeks divide the benefits from the petroleum.

This State is \_\_\_\_\_
